Task 1 — Fill in the gaps

The design of the new model is **a lot like** the old one; they look completely identical at first glance.

She was **not so much** nervous as excited before giving her keynote speech at the conference.

The modern sequel is **nowhere near as** good as the original film released twenty years ago.

I **couldn't** care **any** less about what they think of my choices.

His recent statements about the company's financial health were **at complete variance with** the actual data in the annual report.

The new policy was **more** a solution **than** a temporary fix for a much larger problem.

The task was **so** complex **as to** require an entire team of specialists to solve it.

The two brothers' personalities **differ considerably** in almost every aspect of their lives.

This homemade dessert is decent, but it **isn't a patch on** the one we had at that Italian restaurant.

The deadline was pushed back, so we **couldn't be any** more stressed **than** we were last week.

Task 2. Translate sentences:

1. Этот новый проект совершенно не такой сложный, каким мы его себе представляли.

- **This new project is nowhere near as complicated as we had imagined it would be.**

2. Подготовка к этому экзамену немного похожа на обучение вождению: главное не паниковать.

- **Preparing for this exam is a lot like learning to drive: the main thing is not to panic.**

3. Его последнее заявление полностью противоречило тому, что он говорил на прошлой неделе.

- **His latest statement was at complete variance with what he had said the previous week.**

4. Отчет был настолько запутанным, что сбил с толку всю команду.

- **The report was so confusing as to leave the whole team completely bewildered.**

5. Фильм был не столько страшным, сколько скучным и затянутым.

- **The film was not so much frightening as boring and drawn-out.**

6. Братья значительно отличаются друг от друга как по характеру, так и по увлечениям.

- **The two brothers differ considerably from each other, both in character and in their interests.**

7. После победы в турнире она просто не могла быть счастливее.

- **After winning the tournament, she couldn't have been any happier.**

8. Качество обслуживания в этом отеле и в подметки не годилось тому, что мы получили в прошлом году.

- **The quality of service at this hotel isn't a patch on what we experienced last year.**

9. Дорога до аэропорта заняла так же много времени, как и сам перелет.

- **The journey to the airport took as much time as the flight itself.**

10. Сегодня я больше уставший, чем голодный, поэтому просто пойду спать.

- **Today I'm more tired than hungry, so I'll just go to bed.**
